RE: City Comment/Objection Period – License Number 34761

On July 7, 2023 the City of Craig received a notice of a complete license application (license 34761, Craig Tribal Association, dba 420 Green Street.

City staff reviewed the license application and discussed the application with the Craig City Council at its regular meeting on August 3, 2023.

The city understands that the Marijuana Control Board will be having a discussion related to this license application based on the direct/indirect financial beneficiaries and will make a determination about its effect on the license application at the August board meeting. Please inform us of the determination that the board reaches after a review of the statutes, the license application, and their meeting in August.

The City of Craig does not have any other comments or objections to the license as shown in the full application. You may consider the city's comment/objection period closed.

If you have any questions, please feel free to reach out to me by phone at 907-826-3275 or by email at administrator@craigak.com.

Sincerely,

Brian Templin
City Administrator
