Re: Standard Marijuana Cultivation Facility License #11092

Dear applicant,

AMCO has reviewed the documents submitted for the transfer of controlling interest for the license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-17c License Transfer Application**
  - Section 2: According to the publisher's affidavit and other portions of the application, the Licensee should be Fairbanks Fireweed, LLC. Please correct accordingly.
  - Section 3: This section is for the entity official that the license is being transferred to.
    - For the first Entity Official Name, please correct it to say, Robert Ray.
    - For the first Entity Official's % Owned, please correct it to say, 100%.
    - Please remove the entire second Entity Official; Robert Ray should be the only Entity Official for this transfer.
  - Please refer to the requested corrections below under MJ-07, MJ-08, and Publisher's Affidavit.

- **MJ-07 Public Notice Posting Affidavit**
  - After correcting the MJ-17c, please repost the MJ-17c at both, the location of the proposed premises and another conspicuous location for ten days, and then submit a new MJ-07 completed and signed in front of a notary after the posting period has ended.
    - Additionally, the other conspicuous location should be a public bulletin board of sorts, such as a post office, or a grocery store, or something similar with a bulletin board that the public has access to. The road frontage in front of the business does not seem to apply to this requirement. Please post the application at a different conspicuous location as mentioned above.

- **MJ-08 Local Government Notice Affidavit**
  - Section 2 was left blank. Did you notify the local government? Regardless, the local government will need to be re-notified. After correcting the MJ-17c, please notify or re-

notify the Fairbanks North Star Borough by submitting to them the MJ-17c, and then submit a new MJ-08 completed and signed in front of a notary.

- **Publisher's Affidavit**
  - You will need to do a one-time correction advertisement to show the correct Licensee (Fairbanks Fireweed, LLC) and doing business as (Fairbanks Fireweed, LLC). Basically, the LLC was left out of the licensee and the doing business as. Then, please submit a new Publisher's Affidavit with a copy of the corrected newspaper clipping.

- **Entity Documents**
  - Please provide me with a copy of the drafted, but not filed, Notice of Change of Officials (NOCOO) that you will be submitting to the Division of Corporations, Business, and Professional Licensing (CBPL). Again, do not file it with CBPL, yet. We will let you know when to file it.
  - Will there be an amendment to or amended Operating Agreement? If so, I will need it upon effectuation of the transfer, or at the same time as when I notify you that you can file the Notice of Change of Officials.

- **Proof of Possession for Proposed Premises**
  - I see that the lease still refers to Taryn Nishino as a co-owner of the LLC. I will have to bring this question to my management team next week, but I just wanted to let you know that an updated lease may be required upon effectuation of the transfer. I will be in contact regarding the lease. As of now, you are not required to submit an amended lease as part of your corrections.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis, Occupational Licensing Examiner
