Re: Standard Marijuana Cultivation Facility #11138

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- **MJ-01 Operating Plan**
  - Page 12-first box: please provide an answer that is specifically for the cultivation facility, the answer must include how you will dispose of liquid waste, and a reference regarding the 3-day "waiting period" in which you notify our office of the waste before making it unusable.
  - Page 15-first box: there is reference of marijuana product, this is a cultivation facility application not a product manufacturing or retail marijuana store please correct this section accordingly. Additionally, please elaborate further on your answer. For example, you are stating "All state regulations will be followed". What regulations? Clearly reflect your understanding of the regulations.

- **MJ-02 Premises Diagram**
  - Please make a very clear delineation of what the cultivation section will be on both floors, I know there is going to be a retail store on the same premises, but we need to know exactly where the lines between the cultivation and retail are.
  - The "Managers apartment" looks like it is a restricted access area so he/she/they need to know and understand that this area, although living quarters, will be considered restricted access area bound by the regulations (no one under the age of 21, escorted visitors, etc.). Please confirm the manager(s) understand this.
  - What is the lounge for? Is it part of the cultivation or retail? Please make it clear.

- **Proof of Possession for Proposed Premises**
  - Section VI. Common areas: just want to verify, is this a multiple-tenant property/premises?

- Section XX. Default: please have the landlord incorporate a statement, and initial, that the landlord will not remove or take possession of marijuana and will notify AMCO Enforcement.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Jane Sawyer, Business Registration Examiner for
