Thank you for the file! I was also wondering if I should print out all pages of the corrected sections or just the specific pages I did corrections to?
Thanks
Zane

Hello and thank you for the review of my application.
I noticed there was no mj-08 file sent back to me. can you please send me this file so I can correct any issues with it? I can fill out a new mj 08 entirely if that is what you had intended.
Thank you for your time!
