Dear members

I Constance Twigg Oppose x Tracted Laboratorics at 38957 S commercial Dr. Talkeetna, AK 99676 at The Y. This is To Close To our Su Valley High School, where our young people are each day. We already have a Pot Shop - By These Stay people on our Small Main ST in Talkeetna. We have people growing the weed on The Rd coming into Talkeetna. we do not need these Laboratories or any of These facility. Enough! People that don't use The weed need a say about what is placed in our Community!

We lost our Park, which been here forever because it was to close to the Pot shop, found That our mat su Borough was crooked, had been yelled at, taking our pictures - phone calls. Men coming from N.Y, finding our small place, right for a place to make money, getting on our boards, some people didn't see at the time, but do now! Even the Borough, its money! And we sacrifice! And they have a out of State member, Felonst. Check it out.

2/

I am sorry I must write first and hope you can read it.
Would you please write me down to speak at the next meeting in 24th to 26th Jan. Thank you very much.
