MEMORANDUM

TO: Chair and Members of the Board

FROM: Randi Baker, Occupational Licensing Examiner

DATE: March 12, 2021

RE: ALASKA'S LATITUDE 61, 18173

ALASKA'S LATITUDE 61 , a Marijuana Product Manufacturing Facility is requesting approval of its updated operating plan. See attached MJ-15 and Updated MJ-05

Summary of changes are outlined on page 2 of MJ-15 form. The updated operating plan seems to be in accordance with what the board has approved before and in general.

Licensee will not be using pesticides, but if they do, they will abide by DEC's approved list.
