Re: Licensing Agreement

To Whom It May Concern:

GSOM, Inc. of Portland, Oregon is negotiating a potential licensing agreement with Royal Mountain Extracts, LLC of Talkeetna, Alaska to grant license to Royal Mountain Extracts, LLC, within Alaska and subject to its laws and regulations to use GSOM, Inc's intellectual property and trademarks for cannabis products to be made and sold in Alaska. This licensed intellectual property would include but is not limited to Sour Bhotz, Sour Bitz, Sugga Bitz and Sucka Bitz – cannabis edibles.
