MEMORANDUM

TO: Chair and Members of the Board

DATE: March 19, 2021

FROM: Jacqlene Drulis, Occupational Licensing Examiner

RE: Alaskan Kush Company #16213

Alaskan Kush Company, LLC, DBA: Alaskan Kush Company holds a retail marijuana store in the City and Borough of Juneau.

Staff Comments for Board:

Because the transfer has not yet been effectuated, one of the current licensees, Herb Smyth who is being removed via the transfer, is requesting to rescind the approved transfer.

The renewal was submitted in June of 2020. A transfer to remove Herb Smyth was submitted in July of 2020. Herb Smyth submitted an MJ-18 Residency Verification form with his renewal and was found to be a non-resident. The renewal was approved at the October 2020 meeting contingent on the transfer. The transfer was approved at the January 2021 meeting, with the contingency of the Temporary license for the renewal continuing until the transfer can be effectuated. The transfer cannot currently be effectuated because we have received a "Non-Compliant Notice" from the Department of Revenue.

Casey Wilkins currently holds 50% ownership, but with the approved transfer would be 100% owner. Casey Wilkins' attorney, Mr. Jason Brandeis, submitted a letter and exhibits to AMCO which have been attached in the Confidential packet for the Board.

Other confidential items referenced in Herb Smyth's emails are included in the Board's Confidential packet, as well. In 2021, Herb Smyth submitted a new MJ-18 Residency Verification form, in which he was found to be a current resident.
