Subject:	RE: TERMINATION AND OR RESCISSION OF AMCO TRANSFER OF AKASKAN KUSH Company LLC, LICENSE#16213.
Date:	Tuesday, February 2, 2021 8:10:06 PM

Please let this email serve as official notice that the following statutes have not been satisfied per administrative code:

- 3AAC306.045(a) 'Transfer of a license includes a sale of all or part of the interest of an individual owner.'

- 3AAC306.015(a) 'A person other than a licensee may not have a direct or indirect financial interest in the business for which a marijuana establishment license is issued.'

-Updated Affidavit MJ-19 creditors owed

Due to the continued failed Contract performance of Casey Wilkins (transferee) regarding specific terms not met, including but not limited to, breach of contract, removal of cash from the premises and failure to produce accurate accounting to Herbert Smyth (transferrer) no sale/transfer has officially been consummated therefore, the following will not take place:

- I, Herb Smyth, WILL NOT TRANSFER/ASSIGN/SELL MY 50% OWNERSHIP In Alaskan Kush Company LLC (Alaskan Entity#10073707) to Casey Wilkins.
- I, Herb Smyth, WILL NOT BE MAKING ANY CHANGES to the Alaskan Kush Company LLC CBJ business license.

Attached is the updated affidavit MJ-19. Casey Wilkin's breach of promises has brought forth Creditors who are seeking satisfaction on debts owed to them in excess of their original charges, resulting in direct damage to me. The debts would have been satisfied by myself had Mr. Wilkins kept his promises and not breached the sale/transfer agreement.

I am an Alaskan resident and have no residency in any other State:
- I have maintained a current Alaska Driver's License
- My primary residence is at 9841 Ninemile Creek Road, Juneau Alaska "2016 to present"
- Local Utility Bills "2016 through present"
- Two Vehicles with current Alaska registrations "2017 through present"
- Owner of Blackfish Construction located in Juneau "2018 through the present"
- Voter Registration Juneau "2010 through the present"

I apologize for any inconvenience this may be causing but my losses have forced me to take action on this issue. Civil action is pending. Please see the attached Updated Affidavit MJ-19.

I request the MCB approve the license at the next board meeting with myself as a licensee.
