ALCOHOL MARIJUANA CONTROL OFFICE

To/ the alcohol & marijuana Control office
anchorage, Alaska. 99501

Dear People,

I have looked up about Colorado — since they have had laws on Pot Shops and this is what I have found — and I am sure its more now.

48% increased Traffic deaths
49% emergency visits
100% calls To Rocky mt Poison Center
37% by car = 43% by Parcels
74% youth number one in Nation Pot use

63% College group rank number one in nation for the use of Pot.
104% higher in nation Pot use.

School kids use it at lunch time, Then sit back & dont listen.

And do I say more, we do not need the Manufacturing facility, by the same people who have the Pot shop on main St. They must have a pot of gold! And 500 feet from School land!
