MEMORANDUM

TO:	Marijuana Control Board	DATE:	December 20, 2018
FROM:	Erika McConnell, Director	RE:	The Green Store Connection, #12766, Retail Store

The board tabled this application at the August 2018 board meeting, as the applicant failed to attend. (The board tabled it again at the October 2018 meeting.) Subsequently, the Matanuska-Susitna Borough submitted a late protest because the required Conditional Use Permit has not been issued for this establishment. Similar protests are often received by AMCO staff – they are conditional in nature and are lifted by the local government once the conditions have been met by the applicant.

3 AAC 306.060(a) states that "The director may not accept a protest received after the 60-day period."

However, 3 AAC 306.300(a)(2)(B) states that "A person seeking a retail marijuana store license must demonstrate, to the board's satisfaction, that the applicant will operate in compliance with each applicable public health, fire, safety, and tax code and ordinance of the state and the local government in which the applicant's proposed licensed premises are located."

I recommend that the board approve this license with delegation, to include the requirement that the applicant obtain the required Conditional Use Permit from the Matanuska-Susitna Borough.
