Form MJ-15: Operating Plan Change

What is this form?

This operating plan change form is required for all marijuana establishment licensees seeking to change a licensed marijuana establishment's existing operating plan, as required by 3 AAC 306.100. With this form, a licensee may request changes to as much or as little as desired of Form MJ-01 and/or the corresponding operating plan supplemental for the establishment's license type. **The required $250 change fee may be made by check, cashier's check, or money order.**

Please complete and submit with this form the pages of Form MJ-01 and/or the corresponding operating plan supplemental that contain sections that you are requesting to change. **All fields must be completed of any page for which you are requesting changes** – upon board approval, the submitted pages will replace those currently on file. If your current, approved operating plan is on the original version of the forms, you may be required to complete and submit the new operating plan forms in their entirety.

The form(s) that I am requesting board approval to change is:

- ☐ **Form MJ-01:** Marijuana Establishment Operating Plan
- ☐ **Form MJ-03:** Retail Marijuana Store Operating Plan Supplemental
- ☐ **Form MJ-04:** Marijuana Cultivation Facility Operating Plan Supplemental
- ☑ **Form MJ-05:** Marijuana Product Manufacturing Facility Operating Plan Supplemental
- ☐ **Form MJ-06:** Marijuana Testing Facility Operating Plan Supplemental

This form must be completed and submitted to AMCO's main office prior to changing existing operations. The licensed establishment's operations may not be altered unless and until the director has given temporary approval or the Marijuana Control Board (MCB) has given final approval of the changes. Please note that licensees seeking to change operating plans for multiple licenses must submit a separate completed copy of this form for each license.

Form MJ-15: Operating Plan Change

Section 2 – Summary of Changes

Provide a summary of the changes for which you are requesting approval.

We previously obtained MCB approved for two (2) flavors of the Spritzer line of beverages, Hibiscus and Spearmint. We request adding twenty-six (26) additional flavor variants of Spritzers, listed on the attached sheet labeled MJ-15 Spritzer. The manufacturing methods, bottle size, 5mg individual serving size and total 50mg per bottle totals are identical to what the MCB previously approved.

Requested ingredient changes for each flavor listed on the attached sheet.

We request not including the dosage cup, as the serving bars on each bottle clearly delineate each 33ml-5mg serving and the stopper caps are not available in the correct size of bottle neck.

We request adding CBD, CBG, CBC and CBN distillate and isolates as additional approved ingredients and for packaging options to manufacture THC-CBD variants for each of the twenty-eight (28) Spritzer Beverages flavors. The CBD, CBG, CBC and CBN distillate and isolates will be sourced from approved Hemp Program sources licensed in the State of Alaska and in state specified mediums defined in Sec.3AAC.306.555. The manufacturing methods are identical, except to emulsify the CBD, CBG, CBC and CBN distillates or isolates with the THC distillate & cannabis terpenes.

We request adding increased potency variants for each of the twenty-eight (28) Spritzer Beverages flavors, with and without the CBD, CBG, CBC and CBN distillate and isolates variants with 10mg individual serving size and total 100mg per bottle. The manufacturing and packaging methods will otherwise remain identical, only the serving tabs will be changed from 5mg to 10mg, and the bottle (package) total will change from 50mg to 100mg.

Section 3 – Declarations

Read each statement below, and then sign your initials in the corresponding box to the right: Initials

The proposed changes conform to all applicable public health, fire, and safety laws. **BS**

I understand that any temporary approval granted by the director is pending a final decision by the MCB; therefore, any investment I make, based upon temporary approval, is at my own risk. **BS**

As a marijuana establishment licensee, I declare under penalty of unsworn falsification that this form, including all accompanying schedules and statements, is true, correct, and complete.
