All 28 Spritzer flavors have 1 To 1 THC/CBD
5mg Serving – 50mg Package Total Variant:
28 Total Beverage flavorings, infused with THC and CBD distillates, in amber bottles (11.2 oz./330 mL). Each bottle contains ten (10) x 5 mg. THC and 5 mg. CBD doses (50 mg. Each THC and CBD per bottle). Bottles are marked with tabs on the label to indicate the 5 mg THC doses.

Spritzers are available in twenty-eight (28) flavors:

Spearmint Spritzer: Pale, Yellow/Green hued, with slight haze. Sweet & minty flavor.

Ice Fog Spritzer: Pale, Yellow/Green hued, with slight haze. Sweet & minty flavor

Hibiscus Spritzer: Liquid, Crimson hued, with spicy, sweet, and sour taste.

Spruce Tip Spritzer: Liquid, Yellow/Green hued, with slight haze, sweet & sour, piney taste.

Spruce Tip - Birch Water Spritzer: Liquid, Yellow/Green hued, with slight haze, sweet & sour, piney taste.

Spruce Tip Spritzer - Chaga: Liquid, Yellow/Green hued, with slight haze, sweet & sour, piney taste.

Alaska Wild Blueberry Spritzer: Blue hued, with slight haze. Flavor characteristic of fresh blueberry.

Alaska Wild Blueberry – Birch Water Spritzer: Blue hued, with slight haze. Flavor characteristic of fresh blueberry.

Alaska Wild Blueberry – Chaga Spritzer: Blue hued, with slight haze. Flavor characteristic of fresh blueberry, chaga & woodland herbs.

Alaska Wild Cranberry Spritzer: Liquid, amber/magenta hued, with slight haze, sweet and sour taste.

Received by AMCO 9/10/2021

Aqpik – Cloudberry-Strawberry Spritzer: Red golden yellowish with a slight haze. Tart, sweet-sour, floral cross between red currant and raspberry taste.

Alaska Rose Hip Spritzer: Deep red orangish color with a tangy and sweet aroma. The infusion has a flavor of green apples, ripe plums and hibiscus tea, creating a delicate floral flavor with a tart aftertaste.

Alaska Rose Hip Lemonade Spritzer: Burgundy color with a tangy, sweet and citrusy aroma. The infusion has a flavor of green apples, ripe plums and hibiscus tea, creating a delicate floral flavor with a tart aftertaste.

Raspberry Spritzer: brilliant crimson color. Fresh berry aroma is followed by a rich mouthfeel and delicate sweetness that is nicely balanced with a touch of tartness. Intense notes from beginning to end.

Strawberry Spritzer: Crimson color. The essence of summer, rich in texture, with floral and fresh sweet aromas. On the palate, strawberry offers bright acidity softened by a light sweetness.

Blackberry Spritzer: Powerfully, richly dark purple in appearance with a smooth and satisfying mouthfeel. Aromas of plummy sweet fruit with an underlying summer earthiness.

Blueberry Spritzer: A deep shade of blue-purple and offers flavors of sweet berries, tangy blueberry skin, earth, and jammy sugars, fruity aromas laced with fresh sweetness.

Tangerine Spritzer: Light in body and softly sunny, balanced sweetness and acidity. Not too bracing or too cloying with a tropical mandarin flavor.

Black Currant Spritzer: Deep shade of royal purple with a sweet earthiness. Rich in appearance, with a clean berry nose featuring just a hint of currant skin. Buoyant, rolling across your tongue with balanced sugars and intense flavors.

Sweet Cherry Spritzer: Rich, dark and luscious in color, bordering on mulberry. Smooth and silky in texture with unabashed cherry notes on the nose. On the palate, cherry, supple, robust, and bursting with cherriness.

Red Tart Cherry Spritzer: Bright and tangy, balanced, sweet, tart, and full of cherry with subtle delicately floral flavors. Pale orange-y pink, with light, summer-fresh notes on the nose.

Blood Orange Spritzer: Deeply auburn, slightly purple with a copper tinge, is lightly textured and barely translucent. Aromas of orchard, sweet

Received by AMCO 9/10/2021

cranberry, and bracing citrus acidity. On the crisp and sweet, offering the unique combination of tropical and bright citrus blood orange.

Mango – Pineapple Spritzer: Shade of sunshine yellow with a light and slightly translucent texture, bright honeysuckle zest, fresh, balanced sweet and tangy flavors are true to the fruit itself, with a subtly ripe underlying mango earthiness.

Lemon – Lime Spritzer: Distinct, bright, true-yellow color, tangy, with a balanced soft acidity, complex flavor.

Orange – Pomegranate Spritzer: Lushly juicy and bright in flavor, slightly purple with a copper tinge, sweet flavor with a hint of tart tannin, on the palate crisp and sweet.

Mercy Fruit Haze Spritzer: Rich, dark and luscious in color, bordering on mulberry, smooth and silky in texture with cherry notes, tangy with balanced acidity.

ThirdState Thunder Punch Strawberry-Mango Spritzer:
Crimson, pinkish shade of color. Rich in texture, with floral, fresh sweet, and tropical aromas. Bright acidity softened with sweet and tangy flavors and a supple mouthfeel.

ThirdState Thunder Arctic Blast Spritzer:
Orangey-pink color, refreshing, bursting with the bold flavor of a mix of temperate and tropical fruits, tangy, sweet.
