MEMORANDUM

TO:	Chair and Members of the Board	DATE:	January 5th, 2022
FROM:	Olivia Frank, Licensing Examiner	RE:	Frozen North Farms, #10500

Michelle Westlake who is a representative for Frozen North Farms, a Limited Marijuana Cultivation Facility in the Fairbanks North Star Borough, submitted a request to continue operation of the grow facility in accordance with 3 AAC 306.920(a) following the death of Aaron Worthen, the sole owner of the license. Permission to operate the business was granted to the personal representatives and is subject to 3 AAC 306.920(b), which states:

A personal representative authorized to operate a marijuana establishment under (a) of this section must submit an application for a transfer of ownership to another person in compliance with 3 AAC 306.045 not later than 90 days after obtaining the director's approval to operate. The board may extend the time allowed in this section for another 90 days if the personal representative requests the additional time.

On December 30th, 2021 (roughly 6 months after the Director's approval was obtained), a request for a two-month extension to file the transfer application documents was submitted to AMCO.

Attached is the paperwork for Aaron Worthens personal representatives, as well as the written request for an extension.
