Re: Retail Marijuana Store #24870

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-01 Operating Plan**
  - Page 10, Section 9.2: Your answer says to "See attached logo", but there is no logo attached. Please correct accordingly.

- **MJ-02 Premises Diagram**
  - Diagram 1 and Diagram 2 & 5 (Ground Floor):
    - What is separating the restricted access area from the not restricted area by the display case/showcase? Please clearly show it on the diagrams.
    - Is the POS behind the sales counter? If so, this should be fine, I just want to make sure that customers are not allowed in the restricted access area.
    - I see that half of the front countertop/table is a restricted access area, and half is not. How will this be maintained?

- **Proof of Possession for Proposed Premises**
  - The zip code in our database and throughout the rest of the application shows, 99654, but the zip code on the lease shows, 99687. Please correct this discrepancy.
  - The tenant should be the licensee, Trichs LLC. Please correct accordingly.
  - Please accordingly incorporate the following:
    - A disclaimer that the landlord/lessor will not take possession of or remove marijuana from the premises, and that AMCO will be contacted in the event that this is necessary.

- **Applicant's Residency**

- I am not able to verify Alaska residency at this time. If you have documentation showing eligibility for the 2020 Permanent Fund Dividend, please submit it via email. If you have not and do not intend to apply for the PFD, please let us know.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis, Occupational Licensing Examiner

Good afternoon,

Thank you for the corrections to your application. However, there are more corrections needed:

- **MJ-02 Premises Diagram**
  - Please make the corrections/adjustments to the diagrams that are in color (attached to this email) instead of a black and white copy.
    - Additionally, please make the adjustments to both Diagram 1 and Diagram 2 & 5 (Ground Floor).

- **Proof of Possession for Proposed Premises** (24870 POPPP attachment)
  - It seems the following correction was not addressed:
    - Please accordingly incorporate the following:
      - A disclaimer that the landlord/lessor will not take possession of or remove marijuana from the premises, and that AMCO will be contacted in the event that this is necessary.

This email does not extend the 90-day deadline mentioned in the initial incomplete letter, that deadline is September 15, 2020.

Sincerely,
