To Whom It May Concern,

Frozen North Farms (License #10500) is requesting an extension of 2 months on submitting the change of ownership MJ Forms following the death of Aaron Worthen. It took some time for the family to recover from the unexpected death, make decisions and put a plan into place. We are currently waiting on the required newspaper article to be complete and then the paperwork will be submitted to the local government and to AMCO.

We are confident that the paperwork will be able to be completed and submitted for your approval within the 2 month extension.

Thank you for your time and patience during this difficult time.

Sincerely,

Michelle Westlake
Executor of Frozen North Farms
