1204 N. Hyer Spur Rd.
Palmer, AK 99645

AMCO Enforcement
Marijuana Control Board

Hi again!

These are the last impromptu survey notes I will be sending. Please note that everyone we have served is in favor of the drive-through capabilities for a cannabis retail store. Not only does it keep the social distancing at a minimum (customers feel much safer), it also allows for people with disabilities to shop with more comfort; not to mention staying out of the nasty weather during the winter.

Thank you for the opportunity to share these with both enforcement officers and the MCB. The offer still stands to invite you to come out and visit us to see how it's working for yourselves.
