RE: LIC# 21810; MJ-12 Petition

Jacqlene I measured the distance within the one mile radius using "Google Map Measuring Distance".

In response to the signatures, Don and Geneviere Kratzer are husband and wife. This is the information not on form, address and date. The Kratzer's are stuck in Florida due to Covid.
Virginia Young's signature was obtained by going to her residence. Section 4 of the petition total 3 people the Kratzer's and Virginia Young that reside within the one mile radius.

Charles and Marjorie McDonald are husband and wife, outside the one mile radius. AP McDonald is not related to Charles and his wife, a totally different family. AP McDonald is outside the one mile radius. As I mentioned above, the Kratzer's and Virginia Young are the only two residents in the one mile radius. I obtained the other signatures to show that the people within the area were o.k. with the facility.

Thank You
