Good Morning Vickie Lee!!

Thanks for taking both of my phone calls this morning and providing me with some fantastic clarification! Just so we are both on the same page:

1. I need for you to correct the license type and DBA in section 1.
2. The bundle: in particular, the last page that has your 3 bundled products.
    a. With your permission, I am going to remove that page and send it to the management team for their review. Since there is no reference to this particular product in your summary of changes
        i. Jacq nor I were at AMCO when it happened so I believe it needs management's review
            1. I believe it will require some research and I want to get this MJ-05 moving for you in the meantime.

Attached is the MJ-15 in its entirety, just FYI- I meet with the director on Thursday mornings- If you can get this back into my inbox by 7am on Thursday I can get it in front of him at the meeting.

Please reply with permission to remove the last page, and please also give whatever information you have/remember about the approval of the bundled product.

Thanks,

Randi Baker

Subject: 18173 MJ-15 Temporary Approval
Date: Thursday, January 28, 2021 9:12:19 AM

VickiLee:

You have temporary approval for your bag changes! Hooray! I'll get that on the agenda for March! I'll email you a copy as soon as I have the official signature from Glen.

Quick note: the director wants to make sure you've got the "OK" from the Made in Alaska people to put the sticker on your labels.
If you have any documentation to show that—send it to me and I'll add it to the packet, if not- you might want to look into getting it before the march meeting.

Give me a call if you have any questions.

Thanks!
