MEMORANDUM

TO: Chair and Members of the Board

FROM: Randi Baker, Occupational Licensing Examiner

DATE: March 10, 2021

RE: Green Growcer , 23503

Green Growcer, a Marijuana Product Manufacturing Facilitys requesting approval of its updated operating plan. See attached MJ-15, updated MJ-05 and current approved product

Summary of changes are outlined on page 2 of MJ-15 form. The updated operating plan seems to be in accordance with what the board has approved before and in general. They are requesting to change the name of their currently approved product "Soda Syrup" to "THCyrup"

There are no changes to the product other than the name.
