Re: Retail Marijuana Store License #10831

Dear applicant,

AMCO has reviewed the documents submitted for the transfer for the marijuana license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-17c License Transfer Application**
  - On page 1, section 1: are you sure the local government is the City of Soldotna? I am asking because our system has always shown the Kenai Peninsula Borough being the only local government of the location. Can you possibly send an email to both the City of Soldotna and the Kenai Peninsula Borough asking who has jurisdiction over the location so we can fix the error if there is one. Send me copy of the correspondence between you and them with their response to satisfy this request.

City:	Soldotna
Email:	highbushbuds@gmail.com
Local Government:	City of Soldotna

  - On page 1, section 2: can you please correct the entity number. It should be 10037662

Licensee:	High Bush Buds, Inc.	Alaska Entity #	1036025

- **MJ-08 Local Government Notice Affidavit**
  - The only question on this affidavit is the same one I referenced above: Is this location inside the City of Soldotna. Our system has always only shown Kenai Peninsula Borough.

- **Entity Documents**

- The question I have here is: will I be seeing amended bylaws regarding James or is it the owner structure only changed with Division of Corporations?

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter. This deadline is August 16, 2021.

Respectfully,

On the other hand, there are times when more than one local government DOES apply to the situation. For example, when the first local government is the City of Soldotna, then you would notify the City of Soldotna AND KPB. If the first local government is a borough, then only need to notify the borough.

Thank you

Jane

Hi - so this is for High Bush Buds, the license IS located in KPB and we only notified the city as a courtesy, however this courtesy always creates confusion - so we will STOP doing that. Anyways here is the email showing we noticed both, but it is ONLY in KBP.

make sense? do you need anything else regarding the MJ08 items on the incomplete we received today?
