Re: Standard Marijuana Cultivation Facility license #28617

Dear applicant,

The AMCO Office has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **Proof of Possession for Proposed Premises**
  The Default statement on the amendment to the lease agreement states "Sub-Lessor shall…." Is the lease submitted supposed to be a sub-lease or does the statement have a typo? If the submitted lease is supposed to be a sub-lease, then please also submit the master lease that includes a disclaimer that the landlord will not take possession of marijuana and AMCO will be contacted.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter. The deadline date is December 22, 2021.

Respectfully,

Jane P. Sawyer, Regulations Specialist
