RE: Application for License# 24541 and previous denial

I am writing to address a previous denial for a Retail Marijuana Store license located at 910 W. International Airport Road under the business name of Releaf. The previous denial letter is attached to this letter and outlines the reasons for denial as "advertisement of an extended plant count" being offered on a Medical Marijuana License offered by this establishment.

This "extended plant count" has been removed from the website and all business practices for over a year now and I would like to reapply for a Retail store in this location. I understand that I must comply with all regulations required of this industry and I am committed to operating with the highest level of integrity.

Please reconsider my new application for a Retail Marijuana Store located at 910 W. International Airport Road, #A, Anchorage Alaska 99518 under the business name of Releaf now owned by One Stop, LLC instead of Happy Farmer, LLC.

You will note that the Licensed Premises diagrams have whited out the previous license number and entity name and replaced them with the updated information as nothing else has changed from the previous diagrams.

Thank you for your time and consideration and please reach out to me with any questions.

Re: Releaf, License #17961

Dear The Happy Farmer, LLC:

At their meeting on February 20, 2019, in Juneau, Alaska, the Marijuana Control Board denied your application for a retail marijuana store license in accordance 3 AAC 306.080(a)(6). The board determined it was not in the public interest for you to hold a license because you have been profiting from selling an "extended plant count" to Alaskans even though such a concept does not exist and you were asked to stop, and you have been selling CBD without proper permitting. In addition, the board had concerns with your premises diagram.

Because your license has been denied, you have the right to an informal conference with the director or the board under 3 AAC 306.085, which you may initiate in writing within 15 days of receiving this letter by emailing or sending a letter to me.

The Alaska Administrative Procedure Act, AS 44.62.330 et seq., provides you with a means to appeal the Board's decision. Specifically, AS 44.62.370 and 3 AAC 306.090 allow you to initiate a hearing to determine whether a right, authority, license, or privilege should be granted, issued, or renewed. If you request an administrative hearing, the Office of Administrative Hearings will, at the request of the Board, assign an administrative law judge to hear the matter. You may hire an attorney to represent you in such a hearing, but are not required to.

Please consider this letter as a Statement of Issues as required by AS 44.62.370. If you intend to request a formal hearing, you must notify AMCO, in writing, within 15 days of the date of this notice or within 15 days of the informal conference, should one be requested. A Notice of Defense form is enclosed for the purpose of requesting a formal hearing; however, you may submit any written notice that meets the requirements of AS 44.62.390.

Your Notice of Defense must be sent to:

Administrative Officer
Alcohol and Marijuana Control Office
550 West 7th Ave, Suite 1600
Anchorage, AK 99501

AMCO Received 4/29/2020

If you do not wish to appeal the Board's decision, you may file a claim for refund of the $5,000 license fee that was paid with your application, by completing the three highlighted fields of the enclosed Claim for Refund form. The completed form must be sent to the address above.

You may contact me with any questions or to request additional information. However, I cannot provide you with any legal advice.

Sincerely,

Erika McConnell
