AMCO Staff:

In accordance with 3 AAC 306.060 and KGBC 2.25.040, the Ketchikan Gateway Borough Assembly conducted a review of the aforementioned marijuana license application at its December 20, 2021, meeting. The Assembly adopted the following motion concerning the license:

"I move that, in accordance with KGBC 2.25.040, the Assembly finds no reason to protest new Retail Marijuana Store License 29341, Cannabis Cove, as submitted to the State of Alaska Alcohol & Marijuana Control Office (AMCO), but notes for the record that the operation is not permitted under Federal law, and the Borough does not endorse or condone activities prohibited by Federal law, even though such Federal law may be in contravention of the Tenth Amendment to the U.S. Constitution."

Re: Application Status for License #29341 – Retail Marijuana Store

Dear Applicant:

Our staff has reviewed your application after receiving your application and required fees. Your application documents appear to be in order, and it has been determined that your application is complete for purposes of 3 AAC 306.025(d).

Your application will now be sent electronically, in its entirety, to your local government, your community council if your proposed premises is in Anchorage or certain locations in the Mat-Su Borough, and to any non-profit agencies who have requested notification of applications. The local government has 60 days to protest the issuance of your license or waive protest.

If you have not yet received all necessary approvals, such as a local license, conditional use permit, site plan review, Fire Marshal approval, or Department of Environmental Conservation approval, you should continue to work with those local or state agencies to get the requirements completed. We must also wait for the criminal history check for each individual licensee based on your fingerprint card(s). Your application status in the application database will be changed to "Complete" today.

Your application may be considered by the board while some approvals are still pending. However, your license will not be finally issued and ready to operate until all necessary approvals are received and a preliminary inspection of your premises by AMCO enforcement staff is completed.

Your application will be scheduled for the January 19-21, 2022 board meeting for Marijuana Control Board consideration. This date is subject to change. Any changes will be posted on our website, please check periodically to see if the date has moved. The meeting agenda gets posted on our website 7 days before the board meeting. **Your appearance at the meeting in person, via Zoom, or telephonic is mandatory.**

The Zoom Meeting information will be on the homepage of our website under MCB Board Meeting here: https://www.commerce.alaska.gov/web/amco/

Please feel free to contact us through the marijuana.licensing@alaska.gov email address if you have any questions.

Sincerely,

Glen Klinkhart, Director
