Re: Retail Marijuana Store license #29341

Dear applicant,

AMCO has reviewed the documents submitted for the proposed marijuana establishment license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-01 Operating Plan**
  - Page 2, 3.2, please re-review 3 AAC 306.710 and add to your answer in this box by describing how you will comply with the licensee/employee v visitor ratio.
  - Page 3, 3.3, please provide a sample of your visitor's badge; only the employee's badge was depicted.
  - Page 4, 3.5: 3 AAC 306.715(c) requires the licensee to notify AMCO within 24 hours after ANY unauthorized access to the premises… I could not tell by reading your answer in this box whether that is understood by you. Please re-review the requirements of 3 AAC 306.715(c) and add to your answer in this box describing how you will comply with those requirements.

- **Food Permit Application**
  - This is just an FYI: I understand that you received an email from DEC stating you do not need a Food Safety Permit based on the information you provided to them. Just know that we will be requesting direct approval from DEC for your retail marijuana store once this application is deemed complete. This is part of our process.

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter. That deadline is February 28, 2022.

Respectfully,

Jane P. Sawyer, Regulations Specialist
