10 New Restaurant or Eating Place Licenses for Homer, Alaska

Alaska State Alcoholic Beverage Control Board
550 W. 7th Avenue, Suite 1600
Anchorage, AK 99501

Dear Members of the Alaska State Alcoholic Beverage Control Board,

We, the undersigned citizens of Homer, Alaska, are writing to express our strong support for the City of Homer's recent petition to request the issuance of ten additional Restaurant or Eating Place Licenses within our community, as authorized by Alaska Statute 04.11.405. This request was made in Resolution 25-016, adopted by the Homer City Council, and we believe that the approval of these additional licenses is essential for supporting Homer's continued growth, particularly in our vibrant food and beverage sector.

During the public hearing for Resolution 25-016, local business owners expressed their strong support for this initiative, recognizing the positive impact it would have on Homer's economy and the quality of life for residents and visitors.

We believe that granting these additional licenses will benefit local business owners and allow Homer to better serve the needs of its growing population and the many visitors who come here each year. Currently, our capacity to meet the increasing demand for dining and entertainment options is being constrained by a limited number of available liquor licenses.

We respectfully request your favorable consideration of this petition for ten additional Restaurant or Eating Place Licenses for Homer.

Thank you for your attention to this important matter.

Sincerely,

AMCO Received 4/10/2025
