The Rendezvous has an outdoor seating area that is enjoyed by patrons in the warmer weather months. This area has a railing on all sides with one exit that leads to the parking lot behind the building. Approximately 15 patrons can enjoy this area at a time. Staff practice "attentive service" where they monitor the outside area continuously observing/watching patrons so that no beverages leave the area, unless a patron chooses to return inside the building. Owner/manager communicate continuously with staff to ensure they understand the importance of ongoing monitoring for security purposes. Additionally, signage is placed at the exit of our outdoor service area stating that alcohol cannot be removed from the outdoor service area.
