Section 3 – Violations & Charges

Jordan Huss – Written Explanation for Inability to Certify

I am currently a respondent in a pending action before the State of Alaska Marijuana Control Board ("AMCO"), Accusation No. AM20-1062-2. I have denied all allegations in AMCO's Complaint & Accusation. The matter is pending before the Office of Administrative Hearings. As a result, I do not feel that I can certify the second and third statements in Section 3.

AMCO Case #: AM210487

This is a notice to you as licensee that an alleged violation has occurred. If the Marijuana Control Board decides to act against your license, under the provisions of AS 44.62.330 - AS 44.62.630 (Administrative Procedures Act) you will receive an Accusation and Notice of your right to an Administrative Hearing.

Note: This is not an accusation or a criminal complaint.

On 5/19/21 AMCO Enforcement received an anonymous report that Great Northern Cannabis had sold a pre-rolled marijuana joint that was in violation 3 AAC 306.345 Packaging and Labeling. Specifically, the label was missing the estimated amount of total THC in the package or product as required by (b)(2). I reviewed the label on the packaged pre-roll and confirmed it was missing the THC estimate as required by 3 AAC 306.345(b)(2). Package tag A402030000012D000011793 was assigned which Metrc confirmed to be pre-rolled Pineapple Express joints.

I contacted retail store manager JD Richardson and showed him the label in question. Richardson advised that the label was printed by their former POS software, MJ Freeway, which they were having trouble with. At the time of contact they had since switched to POS provider Greenbits which corrected the issue. I verified the labels were now printing correctly to include the THC content.

I also conducted a random audit of the inventory and found the following discrepancies;

A402030000012D000011793 (Pineapple Express): Metrc 1.5g / on-hand 0g
""8487 (Purple Trainwreck): Metrc 112g / on-hand 113g
""8606 (Cherry Punch): Metrc 37.91g / on-hand 22.14g
""9348 (Bear Berry): Metrc 15.3g / on-hand 12.64g
""0036 (Purple Punch): Metrc 46.16g / on-hand 40.66g

These are violations of 3 AAC 306.345(b)(2) Packaging and Labeling and 3 AAC 306.330 Marijuana Inventory Tracking System.

3 AAC 306.805 provides that upon receipt of a Notice of Violation, a licensee may request to appear before the board and be heard regarding the Notice of Violation. The request must be made within ten days after receipt of the Notice of Violation. A licensee may respond, either orally or in writing to the Notice. 3 AAC 306.810 (2)(A)(B)(C) failed, within a reasonable time after receiving a notice of violation, to correct any defect that is the subject of the notice of violation of AS 17.8 or this chapter.

IT IS RECOMMENDED THAT YOU RESPOND IN WRITING TO DOCUMENT YOUR RESPONSE FOR THE MARIJUANA CONTROL BOARD.
