Re: Standard Marijuana Cultivation Facility License #13614

Dear applicant,

AMCO has reviewed the documents submitted for the transfer of ownership for the license referenced above. This letter is notice under 3 AAC 306.025(e)(2) that your application is incomplete and additional items are needed to complete the application. The additional items that need correction or resubmittal are listed below—please be sure to read the entire letter. **Please note that if the corrections and/or additional documents submitted in response to this letter are not found to be complete, your application will be returned to you in accordance with 3 AAC 306.025(e)(1), and you will need to file a new application and pay a new fee should you wish to continue pursuing licensure.**

- **MJ-02 Premises Diagram**
  - Diagram 1, 2 & 5: Unless I missed it, please show the storage area(s).
  - Please include Diagram 4.

- **Proof of Possession for Proposed Premises**
  - Please submit the master lease in order to fully review the Assignment and Assumption of Lease and Landlord Consent.
  - Additionally, there are discrepancies and missing items throughout the Assignment and Assumption of Lease and Landlord Consent:
    - I see that it has been assigned to John Youse, but we must see that Bay One, LLC will have right and title to the premises.
    - The address doesn't match the physical address on file (68th Avenue and Unit A2).
    - I didn't see the rent amount (I'm assuming it's in the master lease).
    - I didn't see the landlord disclaimer needed (I'm assuming it's in the master lease).
    - I didn't see the terms section (I'm assuming it's in the master lease).

It is very important that you submit the above corrections and/or documents in a timely manner so that AMCO staff has adequate time to review the corrections and/or additional documents which must be found to be complete within 90 days of the date of this letter.

Respectfully,

Jacqlene Drulis
