Thank you
2/24/2022 2:44:56 PM Mandy Honest mlynnhonest@gmail.com Anchorage, AK, US **Anonymous User**	Dear Board Members, I would caution a license cap should the board allow location transfers of marijuana licenses. My understanding of the restriction to transfer location was due to issues that have been apparent in the transfer of location for alcohol licenses and this is because of the license cap. To keep the same issues from happening with the resale of marijuana licenses, I would highly recommend no license cap and allow the transfer of location, or no transfer of location and a license cap. Thank you.
