Re: Application Status for License #10271

Dear Applicant:

AMCO has received your conversion application from a Marijuana Product Manufacturing Facility to a Marijuana Concentrate Manufacturing Facility. Our staff has reviewed your application after receiving your application and required fees. Your application documents appear to be in order, and it has been determined that your application is complete for purposes of 3 AAC 306.025(d).

Your application will now be sent electronically, in its entirety, to your local government, your community council if your proposed premises is in Anchorage or certain locations in the Mat-Su Borough, and to any non-profit agencies who have requested notification of applications. The local government has 60 days to protest the issuance of your license or waive protest.

We must receive all necessary approvals such as the local government, Department of Environmental Conservation, and Fire Marshal, before the license conversion can be finalized.

Your application may be considered by the board while some approvals are still pending. However, the conversion will not be finalized or a license issued for the new license type until all necessary approvals are received and a preliminary inspection of your premises by AMCO enforcement staff is completed.

Your application will be scheduled for the September 17-18, 2025 board meeting for consideration by the Marijuana Control Board. The meeting agenda will be posted on our website 7 days before the board meeting. **Your appearance at the meeting, either in-person or telephonic, is mandatory.** The telephone number for the meeting is 1-800-315-6338 code 69176#. Please feel free to contact us through the marijuana.licensing@alaska.gov email address if you have any questions.

Sincerely,

Kevin Richard, Director
