Re: Response to Notice of Violation - The Basecamp Eatery License 6101

Dear Enforcement Division:

Our office represents The Basecamp Eatery, Inc. with respect to the Notice of Violation issued following the inspection conducted on March 2, 2026.

At the time of the inspection, employee and manager Michael Bowyer presented an alcohol server education card that had expired on December 13, 2025. Upon being informed of the issue, Mr. Bowyer immediately ceased serving alcohol as directed.

The issue has since been promptly corrected. Mr. Bowyer completed the required alcohol server education course and obtained a current alcohol server education card on March 3, 2026. A copy of the updated server card is attached.

The licensee has also implemented additional internal compliance measures to prevent a recurrence. The restaurant maintains a list of all employees who serve alcohol and their corresponding alcohol server education card expiration dates. Going forward, the company's administrator will circulate this list to management every two weeks for review to ensure that all server education cards remain current and to identify any upcoming expirations before they occur.
