Section 7 – Proposed Product Packaging and Sample Labels

Review the requirements under 3 AAC 306.520, 3 AAC 306.565, and 3 AAC 306.570.
Attach a completed copy of this page for each proposed marijuana concentrate or marijuana product.

Product Name:	Green Fire Full Spectrum Oil
Product Type:	Marijuana Concentrate

Packaging Description: Details must include the color(s), size, packaging materials used, total amount of THC, individual serving sizes (if multiple), and other specifics showing compliance with 3 AAC 306.565. Please include photos, drawings, or graphic representations.	Green Fire Full Spectrum Oil will be stored in clean and sanitized containers with sealed lids. The total volume and weight of the oil will vary with each batch. Green Fire Full Spectrum Oil will be tested by a licensed testing facility to determine the percentage of THC and other test parameters. The oil will be used inside the Green Fire Extracts facility to produce vape cartridges or enhanced joints (Bombers) or to be sold wholesale with the intent to be used in other facilities products. Either .5 or 1 gram of Green Fire Full Spectrum Oil will be offered in Vape Cartridges. The filled vape cartridge will be placed into an opaque mylar child resistant bag or blister pack. The mylar bag or blister pack is then to be placed into an opaque exit bag by the retailer before the customer leaves the retail store. THC will range from 20-99% with the actual amount of THC content listed on the label per testing results. Up to five (5) pounds of Green Fire Full Spectrum Oil will be stored in jars for wholesale and in-house use.

Sample Labels: Provide sample labels showing how the labeling requirements set forth in 3 AAC 306.570 will be met.	**Produced By**: Green Fire Extracts **License Number**: 28966 **Product Name**: Green Fire Full Spectrum Oil **Strain**: **Batch/Lot Number**: **Gross Weight**: **Net MJ Weight**: **OZ(g)** **Best By Date**: **Packaging Date**: **Tested By**: **License Number**: **Total THC**: **THCA**: **CBD**: **CBDA**: **CBN**: **Microbial Test**: **Pesticides**: **Herbicides**: **Fungicides**: **Residual Solvent Test**: **Contaminants Test Result**: Retailer: License Number: **Alaska Safety Warning: Marijuana has intoxicating effects and may be habit forming and addictive.
