Good afternoon, Andrea;

We the corrections related to MJ-01. Thank you

However, the master lease and the sublease are still inadequate. The "clearer copy" of the master lease needs to actually be signed by the landlord/owner and the sublease needs to be a legally binding sublease. If adequate documents are not emailed by the end of today, this application will not make it on the agenda for September (FYI: there is another meeting in October).

Thank you
