Hi Regina,

Here's the updated MJ-00 for Amanda.
MJ-02 - the display is restricted, used to stock and store marijuana and marijuana products, it will be locked at all times (similar to other approved retail licenses that have island restricted access display cases)
MJ-03, understood on the waste reg change, the regulation was in place when the application was submitted, here's the revised version.

Let us know if you need anything else in order to deem this application complete.

Thank you and have a great evening!
