Ms. Gribbin,

I agree that there seems to be some confusion, and I would like to clarify a few things:

- AS 17.38 and 3 AAC 306 are the laws that articulate what's required to apply for a marijuana establishment license, not AS 34. Those laws are implemented and enforced by the Marijuana Control Board (MCB) and the agency that supports it, the Alcohol & Marijuana Control Office (AMCO);
- only the AMCO Director can determine an application to be complete, per 3 AAC 306.025;
- many documents that are received by AMCO staff end up needing to be revised and resubmitted to AMCO, occasionally multiple times, before they meet the requirements and before the Director can determine the application to be complete;
- the multiple copies of the master lease and the sublease that you have submitted still need additional revision in order to meet the requirements for a marijuana establishment license application;
- as of today, August 26, your application is still incomplete; and
- in order to be on the September 7-8, 2016 MCB meeting agenda, your application needed to be completed by August 24.

Unfortunately, your application will not be on the September 7-8, 2016 MCB meeting agenda. The great news is that you still have over six weeks (until October 10) to submit the required documents with the necessary revisions made in order for the Director to determine your application to be complete and to place on the October 27-28 MCB meeting agenda!

Thank you for your hard work and immediate diligence toward completing your application.

Hello Jane,

There seems to be some confusion. It appears you do not have all the documents that have been sent to AMCO that address items you have identified below. I will resend the documents, confirmed received by AMCO for your review.

Thank you!

>
> Upon reviewing the somewhat-clear copy of the original master lease there is an amendment that needs to be done to it. On section 21 Removal of Property; the owner/lessor must incorporate statement along the lines of "except marijuana or marijuana products, and that State of Alaska AMCO will be notified".

Subject: Fwd: Final and last request to AMCO's request. Thank you Sara!

Hello Sara,

I did not hear back from you today on my last email. I'm sure your very busy.

To make things easier for you, I've again attached another copy of the final items you requested that meet (and exceed) Alaska statute deeming Wildflowers Application 10605 complete.

Thanks so much. We look forward to seeing you at the September meeting agenda!
