Ms. Gribbin,

"Complete and confirmed" is incorrect. As stated in the last email sent to you at 4:05pm today, we still need the following before you marijuana establishment license application can be considered complete:
1. a legally binding sublease, which includes the offer, terms, conditions, obligations, payment terms, liability, and default or breach of the contract; and
2. authorization from the owner of the property, which can either be a signed addendum or an individual signed letter, allowing for subleasing of the property by Happiedaze, LLC

Thank you for your immediate diligence toward completing your application.
