Oh no! What did we miss? What docs do you still need? We have to make the meeting date! Can you please add one more day to agenda? What can we do to assist?

SOS!

Please advise on what we can do and what we did wrong to miss the agenda… when is the next meeting date? Is there another one this month? Oh please, say yes!

Thanks you guys! We know your doing your best and working awfully hard.

Best,

WIldflowers

Good morning;

We have received your documents, and payment. Your application is now under review. It is not on the agenda for our July meeting.

Thank you
