Subject: MJ Licenses 10605, 10606, 10607, 10608, Wildflower Holdings, LLC

Dear Tiffany Young,

It has been brought to my attention by my staff that applications have been initiated on the following license numbers in the MOA for Wildflower Holdings, LLC, of which the 100% member is Andrea Gribbin:

10605
10606
10607
10608

My staff has informed me that they have never interacted with or corresponded with Ms. Gribbin in any way and instead you are the only contact on these applications.

This email is to inform you that all work on the above licenses is being stopped at my direction until our management team meets in person with Ms. Gribbin at our Anchorage offices. Please have Ms. Gribbin contact me immediately to arrange the meeting. Ms. Gribbin should plan to bring her Alaska issued identification to the meeting.

Thank you,

Cynthia Franklin, Director
