You don't often get email from tbellotti@hivemindmeadery.com. Learn why this is important

CAUTION: This email originated from outside the State of Alaska mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Question - Will outdoor seating be allowed at some point for tap rooms? In reading the current statue it doesn't mention that outdoor seating, as long as it is listed in the premise drawing, isn't allowed. However, this proposed change may add confusion to make it seem that only those specific types of licenses are allowed to have outdoor seating.
