Re: Application Status for License #12255

Dear Applicant:

AMCO has received your conversion application from a limited marijuana cultivation facility to a standard marijuana cultivation facility. Our staff has reviewed your application after receiving your application and required fees. Your application documents appear to be in order, and it has been determined that your application is complete for purposes of 3 AAC 306.025(d).

Your application will now be sent electronically, in its entirety, to your local government, your community council if your proposed premises is in Anchorage or certain locations in the Mat-Su Borough, and to any non-profit agencies who have requested notification of applications. The local government has 60 days to protest the issuance of your license or waive protest.

We must receive all necessary approvals such as the local government, Department of Environmental Conservation, and Fire Marshal, before the license conversion can be finalized.

Your application may be considered by the board while some approvals are still pending. However, the conversion will not be finalized, or a license issued for the new license type until all necessary approvals are received and a preliminary inspection of your premises by AMCO enforcement staff is completed.

Your application will be scheduled for the December 13-14, 2022 board meeting for Marijuana Control Board consideration. The meeting agenda gets posted on our website 7 days before the board meeting. **Your appearance at the meeting, via Zoom or telephonic, is mandatory.** The Zoom Meeting information is on the homepage of our website under MCB Board Meeting here: https://www.commerce.alaska.gov/web/amco/
Please feel free to contact us through the marijuana.licensing@alaska.gov email address if you have any questions.

Sincerely,

Joan M. Wilson

Joan M. Wilson, Director
