Hello Destiny,

Form MJ-01 has been marked complete for license application #10012. For the premises diagram please outline the proposed licensed premises for this application; the product manufacturing facility. It should be very clear when looking at your diagram what areas are the product manufacturing facility's licensed premises and what areas are not.

Because the Deed does not state the physical address, please provide a notarized affidavit stating that the legal description provided in the Deed is the same as the proposed premises address. The affidavit must list the legal description exactly as it appears on the Deed as well as the proposed premises address exactly as it appears on your application

Thank you,
AMCO Staff
