Re: Limited Marijuana Cultivation Facility License Application #10082

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- Corrections related to Suites
  - According to your sub-lease, Einstein Enterprises, Inc. only has possession of Suite B of 2939 Porcupine Dr., but you did not include the suite when you initiated your application or on some of your supplemental documents
  - AMCO has edited your physical address to include Suite B which has generated new advertisement and public notices
    - You will need to use the new advertisement notice to run a one-time correction ad and submit a new publisher's affidavit
    - You will need to use the new public notice and post for an additional 5 days at the premises address and re-submit to the MOA and Community Council, then submit new forms MJ-07 and MJ-08
  - Section 1 – Establishment Information needs to be corrected to include the suite # in the premises address field for each MJ form that doesn't already have it listed
    - Forms MJ-01, MJ-02 and MJ-05 are the only forms that include Suite B in the premises address field
- MJ-02 Premises Diagram
  - Per 306.520(2)(B) – please indicate where marijuana and/or marijuana product will be store
- MJ-05 Product Manufacturing Supplemental Operating Plan
  - Page 5 – the concentrates don't seem to include serving sizes in the packaging description

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
