Re: Limited Marijuana Cultivation Facility #14581

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted**.**

- **MJ-00 Application Certifications**
  - On page 1, please correct the Licensee field. This is should match what appears on your cover page.
  - On page 3, please initial only one box that applies to you.
- **MJ-01 Operating Plan**
  - On page 1, please correct the Licensee field.
  - On page 4 in the middle box, please expand on describing the capabilities of your security system. On page 9 you mention a vendor "…that maintains the video & surveillance security systems…" but in this answer there is no mention if the system is a third party service or your own security system with no outside contact.
  - On page 5, please expand your answer in regards to how you would deal with persons who loiter on the premises. Just stating it is a private property will not satisfy the board.
  - On page 7 in the bottom box, please expand on the relative area of where the equipment will be and how you will secure it so only authorized personnel may access it.
  - On page 7, in the bottom yes/no area please clarify your "yes" answer for "Video Surveillance records are stored off-site". From your answer on page 4 it is not clear how your system would work.
  - On page 12 in both boxes, please expand your answer for how you will handle and process waste in regards to 3 AAC 306.740(c) and (d).
  - On page 13 please expand your answer in regards to 3 AAC 306.740(d)
  - On page 15 in the top box, please expand your answer. Will you be only selling wholesale or will you also sell flower packaged for retail? How will you label both wholesale and direct to retail packages? How will everything be prepared for transportation?
- **MJ-02 Premises Diagram**
  - On page 1, please correct the Licensee field.
  - On the detail diagram, please designate the areas for storage, the licensed premises, and the restricted access area.
  - Please provide an aerial image of the property with the proposed licensed premises noted.

- **MJ-04 Cultivation Supplemental**
  - On page 1, please correct the Licensee field.
  - On page 3, please be more detailed with your fertilizers to be used.
  - On page 4, please expand your answer in regards to 3 AAC 306.740(d)
- **MJ-07 Public Notice Posting Affidavit**
  - On page 1, please correct the Licensee field.
- **MJ-08 Local Government Notice Affidavit**
  - On page 1, please correct the Licensee field.
  - Please print the name in the "Printed name of licensee" field
- **MJ-09 Statement of Financial Interest**
  - On page 1, please correct the Licensee field.
  - On page 1, please complete section 2.
- **Publisher's Affidavit**
  - Please run a one-time correction advertisement with the typos in the regulation reference (B AAC 306.400 vs 3 AAC 306.400(a)(2)), the street name (Star light vs Starlight), and zip code (99523 vs 99623) corrected.
- **Proof of Possession for Proposed Premises**
  - This rental agreement will not suffice. This appears to be a residential lease and it is not held by the LLC.
  - Please provide a lease agreement between the property owner and the entity that will hold the license (AK Best Buds LLC).
  - Please include the use of the premises in the lease, along with a statement saying the landlord/lessor in the case of seizing the property may not take into possession of any marijuana and will contact AMCO for guidance.

If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Mark Bailey, Occupational Licensing Examiner
