You don't often get email from markfazio66@gmail.com. Learn why this is important

CAUTION: This email originated from outside the State of Alaska mail system. Do not click links or open attachments unless you recognize the sender and know the content is safe.

This is bs . The only one who don't get taxed in the industry being the concentrat labs get the cheapest renewal . There the ones buying everyone out and Integrating all three . The taxes are not fairly distributed and neither are the renewals ....
