Re: Response to Notice of Violation – AMCO Case # AM 26-0174

To Whom It May Concern,

I am writing in response to the Notice of Violation dated March 20, 2026.

I want to begin by taking responsibility for this matter and providing context. While Pizza Man has been a long-standing business in the community, I became the owner just over three years ago. Prior to this, I had no experience in the restaurant industry. As a new business owner, I have been navigating a significant learning curve while working to maintain the standards and legacy of an established business.

At the time of the inspection, I understood that work permits for minor employees needed to be collected and maintained on file. However, I was not aware that those permits were required to be submitted to and approved by the Department of Labor. This was an oversight on my part and an honest misunderstanding of the process, not an intentional disregard of regulations.

Since being made aware of this issue, I have taken immediate corrective action to ensure full compliance moving forward. All required work permits have now been properly submitted, and I have implemented internal procedures to verify that all future permits are completed, submitted, and approved in accordance with Department of Labor requirements before any minor begins employment.

I would also like to clarify that, at all times, we have strictly followed all laws and regulations regarding minors and alcohol service. Minors employed at Pizza Man have never been permitted to handle alcoholic beverages, take orders involving alcohol, or participate in any activity that would violate AMCO regulations related to alcohol service.

Additionally, Pizza Man has had no prior disciplinary history within the past five years, and I am committed to maintaining full compliance with all applicable laws and regulations moving forward.

Please note that I was out of town until March 31 and did not receive the notice of violation until April 1. I take this matter seriously and appreciate the opportunity to address it. My goal is to operate responsibly, remain in full compliance, and continue serving the community with integrity.

Please let me know if any additional information is needed.

Sincerely,

Keith Granberry, Owner
Pizza Man
