To Whom It May Concern:

In response to the Notice of Violation of March 5, 2026 for License # 750, AMCO Case # 26-0241.

In order to prevent a recurrence of the violation, I have set up reminders in my Outlook calendar to notify me two weeks prior to the expiration of each server's TAM card. When notified of an upcoming expiration, I will direct the server to complete a renewal prior to the expiration date and verify that it has been completed before the server works after the pending expiration date. I am confident this procedure will prevent any future violations.

Sincerely,

Norman E Dean
Administrator
