Re: Standard Marijuana Cultivation Facility License Application #10286

Dear Applicant,

AMCO staff has reviewed the online application and supplemental documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted.

- MJ-02 Premises Diagram
  - Please clearly delineate the outer boundaries of the proposed licensed premises (for this cultivation facility) by outlining in another color
    - When an AMCO investigator is looking at your diagram, it should be very clear what areas will be the "licensed premises" as defined in 3 AAC 306.990(23) and what areas will not be licensed premises.
  - Please also indicate that Suite 102 is for future use
- MJ-04 Cultivation Supplemental Operating Plan
  - Page 2, box
    - Did you mean to say that Suite 102 will be used in the future? Can you clarify that in your description, so there is no confusion for the board?

Please note per 3 AAC 306.025(f) you must make these corrections and submit these items to complete your application not later than 90 days after the date of this notice. If you fail to complete your application during the 90 day period after this notice, you will be required to file a new application and pay a new application filing fee to obtain a marijuana establishment license.

Sincerely,

Christina Thibodeaux
