Re: Standard marijuana cultivation facility license #10605

Dear applicant,

The AMCO Office is reviewing the documents submitted for the proposed marijuana establishment license referenced above. The following items need to be corrected and/or resubmitted. **All corrections/additions to any form(s) must be initialed by the proposed licensee.**

- **MJ-00 Application Certifications**
  - Section 1-Establishment information; the doing-business-as name needs to be completed.
  - Section 3-Other licenses; you answered "No" to this question. Our system shows that you are in the process of applying for other marijuana establishment licenses. Please write down the license numbers and the types.
- **MJ-01 Operating Plan**
  - The entire MJ-01 is inadequate, it must be resubmitted:
    - The doing-business-as is incomplete
    - The "primary contact" or "designated licensee" can only be the proposed licensee (Tiffany Young is not a proposed licensee).
    - The answer of *"Please see attached Operations, Inventory and Security Supplemental"* on each box of this form is inadequate. Please follow the instructions provided in our videos. You must review Title 17.38 of Alaska Statutes and Chapter 306 of the Alaska Administrative Code, and provide a clear, concise, and detailed response to each box reflecting your understanding of the regulations and/or statute as it pertains to the specific question that is being asked.

- **MJ-02 Premises Diagram**
    - Please complete the doing-business-as name.
    - Please clearly label the restricted access areas, storage area and surveillance room/area.

- **MJ-04 Cultivator Supplemental**
    - The entire MJ-04 is inadequate, it must be resubmitted:
        - The doing-business-as is incomplete
        - The answer of *"Please see attached Operations, Inventory and Security Supplemental"* on each box of this form is inadequate. Please follow the instructions provided in our videos. You must review Title 17.38 of Alaska Statutes and Chapter 306 of the Alaska Administrative Code, and provide a clear, concise, and detailed response to each box reflecting your understanding of the regulations and/or statute as it pertains to the specific question that is being asked. Please note that the description of the premises in page two of MJ-04 must match the diagram.

- **MJ-07 Public Notice Posting Affidavit**
    - Please correct the doing-business-as on this form.

- **MJ-08 Local Government Notice Affidavit**
    - Please complete the doing-business-as name on this form.

- **MJ-09 Statement of Financial Interest**
    - Please complete the doing-business-as name on this form.

- **Publisher's Affidavit**
    - Please provide an affidavit of publication from the newspaper; it must include a copy of the newspaper ad. What you provided was only a copy of an email.

- **Proof of Possession for the Proposed Premises**
    - Please provide the master lease for the sublease.
    - Please provide an adequately executed lease (in comparing the signatures between a notarized document and the sublease, the sublease does not appear to be signed by the owner of Wild Flowers Holdings, LLC).

- **Entity Documents**
    - Please provide the LLC's operating agreement and a copy of the paperwork you submitted to Division of Corporations to file your "Initial Report" with them.

Please return the incomplete items within two weeks of the date of this letter. Receipt of the items within two weeks will keep your application at the top of our worklist. If we do not receive all of the completed items within two weeks, your application will be moved to the back of the "Under Review" worklist. If we do not receive your completions within 90 days, per 3 AAC 306.025(f), you must file a new application and pay a new fee.

Sincerely,

Cynthia Franklin, Director
