Branden,

I reviewed the corrections submitted in this email. The following was not corrected in MJ-01:

- Page 3: the sample employee identification is for a retail, not cultivation.
- Page 4-second box: what do you mean by "your security alarm system dialer"
- Page 12- you need to incorporate in your answer how you are going to store the marijuana waste during the three-day waiting period before rendering the marijuana unusable.

The items I still need are:

- **Publisher's Affidavit**
  - Please provide a Publisher's Affidavit for the marijuana cultivation facility. The ad itself is for correct, but the certification from the newspaper representative is for a retail marijuana store.
- **Proof of Possession for Proposed Premises**
  - You submitted two commercial lease agreements. Which lease supersedes which lease?. If one of these leases needs to be a sublease, then the sublease needs to be very clearly a sublease.
  - The proof of possession for the proposed premises, whether it is a lease or sublease, needs to be a legally binding documents, and it needs to include the following:
    - An acknowledgement from the lessor that the premises is for a marijuana establishment.
    - A disclosure by the lessor that the lessor will not take possession of marijuana and that AMCO Enforcement will be contacted.

Branden, for the corrections for MJ-01, please, do not submit the entire MJ-01. Submit only the pages that need to be corrected, but, do submit a complete page (not only the section needing the correction).

Submit complete and accurate corrections by March 17 in order to be considered for the April meeting.

Thank you
